

AGX Bolt Tag

Product Description	AGX Bolt Tag
Electrical Characteristics	
Operating Frequency	HF 13,56 MHz
ISO Standard	ISO 15693
Memory Size	112 Byte User memory
ISO Standard	ISO 14443A
Memory Size	736 Byte User memory
Thermal & Environmental Characteristics	
Operating Temperature	-20°C up to +85°C*
Packaging Protection Class	IP 67
RoHs Compliance	YES
Physical Characteristics	

* Customized sizes and high temperature version on demand

Article no:	
Article no:	AGX Bolt Tag
Typical Applications	
Industry	
Automotive	
Petrol & Chemical Industry
