

DATASHEET

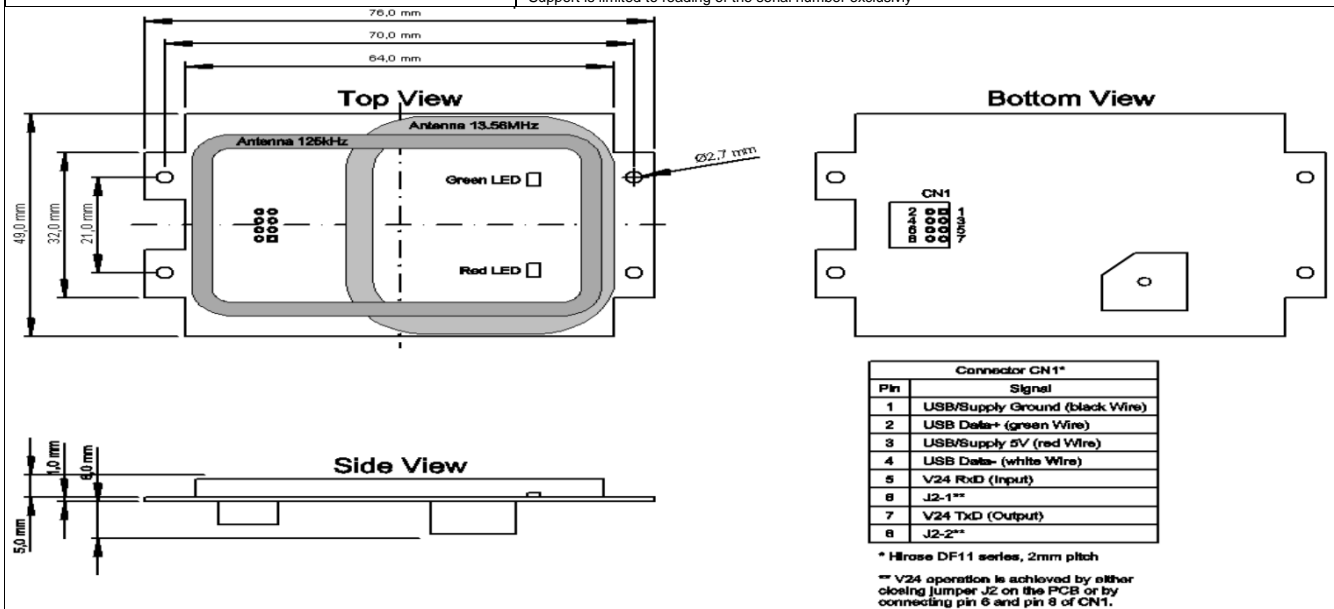

AGX RadioForce DT HF01

Desktop RFID HF read-/write unit

Product name		AGX RadioForce DT HF01		
Technical data				
Read/write unit version	MIFARE	MULTI ISO	HID iCLASS	LEGIC
Mousing:	Material ABS, colour black or white			
Frequency:	13.56 MHz			
Dimensions:	88mm x 56 mm x 18 mm			
Power Supply:	5V ± 10% via communication cable			
Supply Current:	120mA	N/A	220mA	280mA
Temperature Range:	0°C bis +50°C			
Antenna type:	PCB aircoil			
Read-/Write range:	up to 10cm (depending from the Tag)			
Supported RFID Transponder Tags:	ISO 14443A: Mifare Ultralight Mifare Mini Mifare 1k, 4k Mifare DESfire*	ISO14443A: Mifare Ultralight, Mifare Ultralight C, Mifare Mini Mifare 1k, 4k Mifare DESfire Mifare Plus ISO14443B ISO15693	HID iCLASS	Legic Prime, Legic Advant

* Support is limited to reading of the serial number exclusively

Article No: AGX RadioForce DT HF01

Typical Applications:

Asset Management	POS	Maintenance and Service
Fashion & Apparel industrie	Pharma and Cosmetic	Transport and Delivery
General Logistics	Health Care	Food
Industry & Automotive	Bibliothec and Documents	Access control
